## **SECTION-II Introduction to LaTeX-2**

---

- **Basics-**

[https://www.overleaf.com/learn/latex/Learn\\_LaTeX\\_in\\_30\\_minutes](https://www.overleaf.com/learn/latex/Learn_LaTeX_in_30_minutes)

- **Mathematical Expressions-**

[https://www.overleaf.com/learn/latex/Mathematical\\_expressions](https://www.overleaf.com/learn/latex/Mathematical_expressions)

## Citation & Bibliography

- To acknowledge your source.
- NOT TO DO SO IS CALLED **PLAGIRISM** (stealing another person's idea or writting)
- We can use "Mendeley" for reference management.

- **Package Archive-**

`https://ctan.org/pkg/xcolor`

Thank You
